

We prefer four monitor mixes if possible but can work with two if necessary. If only two monitor mixes are available Guitar will be mix 1. Accordion, Bass and Drums will be mix 2. In most cases we only run vocals and accordion in the monitors.

Everybody will sing lead vocals so please make sure all mics are left on at all times. **PLEASE PLAY CLOSE ATTENTION TO ALL VOCAL LEVELS. VOCAL LEVELS NEED TO BE MATCHED. IN OTHER WORDS THE HARMONY VOCAL NEEDS TO BE EQUAL TO THE LEAD VOCAL.**
